

THE HVAC TOOL YOU NEED TO REALLY THRIVE

B2Field software boosts teamwork and streamlines scheduling, dispatch, work orders & invoicing.

The collage displays three main components of the B2Field software interface:

- Mobile Map:** A smartphone screen showing a map of Brooklyn, NY, with several green location pins and a blue route line. The time is 17:32.
- Task Management Dashboard:** A desktop view showing a list of tasks categorized into 'Unassigned tasks' and 'Assigned tasks'.
 - Unassigned tasks:**

 - Assigned tasks:** A Gantt chart for 17.04.2017 showing task status over time for employees like Christopher Mebons and Kerry Bulfour.
- Employee Profile:** A pop-up card for HVAC Engineer Matthew Smith, showing his location at 139 Chauncey St, Brooklyn, NY 11233, USA, and an external ID of 8974.

The image displays a mobile scheduling application interface. At the top, there's a 'Schedule' header with 'My schedule' and 'Company' tabs. Below this is a weekly calendar grid for October 2021, showing tasks assigned to various team members like Luis S, John L, and Ethan D. A detailed task card for 'Heater repair' is shown in the foreground, indicating it's due tomorrow and assigned to John L. The background shows a list of assignees with their profiles and associated tasks.
